Feb 11: **DESIRE** at the Susan

Hensel Gallery, 7-9pm. 3441

Cedar Ave S. A poetic multi-media environment will be filled with **LIVE POETS** on Feb 11. 3 years in the making, **Desire** opened Jan 7. **Desire** is an installation. You will walk into a total environment devoted to the journey from adolescence to senescence, from sexual awakening to fecundity, relationship, sorrow, aging and beauty. It is a lushly beautiful space, poetic, replete with color, sound, lights all focused on allowing you to experience the theme. Quiet, meditative, warm and inviting for the dark days of winter. Visit more than once. And return for the **HOT POETRY READING** in the spirit of Valentine's Day on Feb.11, curated by Lisa Calame Berg. **Desire** runs Jan 7-Feb 24. Call 612-722-2324 for more information.
