

## In and Out of the Fold

An virtual exhibition of new textile work by Sunsan Hensel

After years of establishing and running experimental galleries, Susan returned to the studio full time in 2013, creating a *groundbreaking* new approach to color and textiles, marrying modern production technology with traditionally woman-centered “craft” into a new fine art form that soothes and calms us in frenetic times.

Susan Hensel has said, “During these hot house times people are re-forming how they work, where they work and why they work: home offices, bills to pay, personal purpose and a desire to make the world a kinder place.”

These works are an outgrowth of that sense of purpose, layered on hundreds of exhibitions, including dozens of solo shows, grants and residencies across a fifty-year span.

The exhibition, IN AND OUT OF THE FOLD, is now OPEN at [www.susanhenselprojects.com](http://www.susanhenselprojects.com) through November 12, 2020.
