Reader's Art: Control/Alt/Shift

Curated by Susan Hensel and Jeff RATHERMEL

June 9, 2017 – August 13, 2017

Cowles Literary Commons

PRESENTED IN COORDINATION WITH BOOK ART BIENNIAL 2017  
RECEPTION: FRIDAY, JULY 21; 6-9PM

This international juried exhibition explores one or more of three related themes: the politics of control; alternative methods of public discourse; and the ever-shifting nature of social norms and values. This exhibition continues the tradition of the *Reader's Art* exhibitions organized for many years by the Susan Hensel Gallery in Minneapolis, MN. At the Susan Hensel Gallery, *Reader's Art* explored the broad theme of narrative in the arts. As the new home of these popular shows, MCBA is dedicated to continuing Hensel's tradition of supporting new voices, emerging artists and students.
